

'THE CODE REVIEWED 2008'
A summary of ABPI Code of Practice cases
Prepared by Dr Joan Barnard, Medical Consultant.

'The Code Reviewed' will be published in 2008 as three services. All publications are issued monthly by e-mail, to one email address per subscription. There is no restriction on further distribution within the subscribing company.

The Code Reviewed for Management

This is intended for those who need to be aware of any important issues in relation to the Code, particularly any issues which may impact on company policy or procedures:

- a bullet-point summary of key issues arising from cases published in the previous month by the PMCPA and the MHRA.
- issued usually within the first week of each month.
- published as a Word document.

The Code Reviewed for Learning

This is intended for those who need a clear understanding of any issues relating to interpretation or implementation of the Code:

- a succinct summary of all cases published in the previous month by the PMCPA and the MHRA.
- Cases rated in terms of significance
- key learning points and implications provided
- relevant audience clearly identified
- issued usually during the first week of each month.
- published as a Word document.

This service also includes **The Code Reviewed for Management**

The Code Reviewed for Training

This is intended for those with responsibility for providing ongoing training on interpretation or implementation of the Code to Head Office or field-based staff.

PowerPoint presentation

- a summary of all significant cases published in the previous month by the PMCPA and the MHRA.
- comprehensive speaker notes
- key learning points and implications
- relevant audience clearly identified
- issued usually during the second week of each month.
